# Coal Communities Definition

Communities and regions that can reasonably demonstrate how changes in the coal economy have resulted or are anticipated to result in job losses and layoffs in any coal-reliant commercial sector. This includes, but is not limited to:

- Coal mining
- Coal-fired power plants
- Related transportation, logistics, and/or supply chain manufacturing industries

*There is no pre-defined list of impacted coal communities.*

To demonstrate eligibility, complete applications must provide appropriate third party economic and demographic statistics that document the extent to which contractions in the coal economy have negatively impacted the community or region.

# Coal Communities Commitment

**EDA's \$300 million *Coal Communities Commitment*** will ensure support for coal communities as they recover from the pandemic, create new jobs and opportunities, and create or expand new industries.

EDA will:

- **Encourage coal communities** to apply to all American Rescue Plan programs, offering them the opportunity to successfully compete for large, transformational grants
- Provide **planning and technical assistance grants** to help support states in their effort to develop plans to revitalize coal communities
- Offer opportunities to **develop national communities of practice** to support coal communities in building resilient economies
- Specifically support coal communities through **two Notices of Funding Opportunities (NOFOs)**

# Statewide Planning, Research, & Networks

## \$90 million

*Invest in economic plans, research to assess the effectiveness of EDA's programs, and support stakeholder communities around key EDA initiatives*

### Statewide Planning: \$59M

\$1 million planning grants to each state and territory

### Example Projects

- Integrating local and regional plans to develop a Statewide plan
- Developing plans and strategies to participate in other EDA ARPA programs
- Facilitating coordination with Tribes
- Identifying industry clusters
- Statewide skills gap analyses
- Supporting Statewide broadband data collection, mapping, and planning

# Travel, Tourism, & Outdoor Recreation

**\$750 million**

*Accelerate communities impacted by COVID-related travel and tourism decline through block grants to states and competitive grants*

## State Grants: \$510M

- Award allocations to each state and territory based on economic development indicators in the leisure and hospitality industries
- Can fund destination marketing, but cannot fund economic diversification projects

## Challenge: \$240M

- Assist communities that suffered economic injury because of job losses in travel, tourism, or outdoor recreation sectors
- EDA prefers projects that directly support the travel, tourism, and outdoor recreation sectors; but will consider diversification projects
- Cannot fund local destination marketing

# Indigenous Communities

## \$100 million

*Develop projects designed to create the conditions for economic growth in Indigenous communities and to accelerate economic recovery from the pandemic*

- Additional \$100 million in Economic Adjustment Assistance funds will specifically support Indigenous communities and can be used to fund nontraditional EAA projects, like health centers
- A wide range of technical, planning, workforce development, entrepreneurship, and public works and infrastructure projects are eligible for funding under this program
- This competition is open only to Indian Tribes, as defined in EDA's regulations, nonprofits serving Native Hawaiians, and nonprofits serving Native Pacific Islanders

# Economic Adjustment Assistance

## \$500 million

*Invest in infrastructure, technical assistance, planning, and revolving loan programs through competitive grants available to every community*

- Most flexible American Rescue Plan program; intended to fund non-construction and construction activities not already part of another Notice of Funding Opportunity (NOFO).
- A wide range of technical, planning, workforce development, entrepreneurship, and public works and infrastructure projects are eligible for funding under this program.
- EDA encourages application submissions based on long-term, regionally oriented, coordinated, and collaborative economic development or redevelopment strategies that foster economic growth and resilience. This includes plans aimed at building stronger regional economic links between urban centers and rural areas.

*\$200M Coal Communities Commitment*

# Good Jobs Challenge

## \$500 million

*Get Americans back to work by establishing or strengthening regional systems to train workers with in-demand skills through employer-driven training models that support participants with wrap-around services and employer commitments to hire*

### System Development

Funding to help an organization establish and develop workforce systems and sectoral partnerships

### Program Design

Funding to develop skills training curriculum and materials, secure technical expertise to train workers, and secure employer commitments to hire

### Program Implementation

Funding for non-construction projects to provide workforce training and connect workers with quality jobs, including wrap-around services

# Build Back Better Regional Challenge

## \$1 Billion

*Transform economically distressed communities through substantial investment in regional growth clusters*

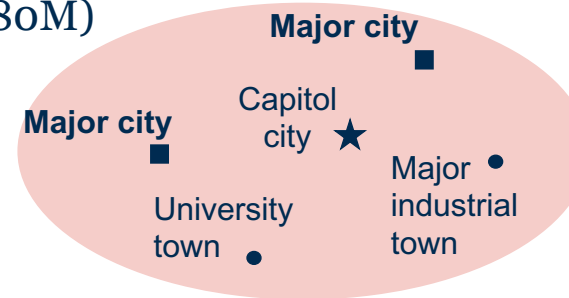

- Proposals should include regional coalitions, industry support, and high-impact projects with a shared vision for a regional growth cluster
- One key coordinating entity per region
- 3-8 projects per regional cluster

### Projects can include:

Planning | Infrastructure | Workforce | Entrepreneurship

\$100M Coal Communities Commitment

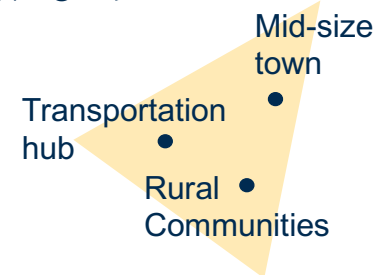

### Manufacturing Cluster (\$80M)

### Services Cluster (\$50M)

### Ag-tech Cluster (\$25M)

# Build Back Better Regional Challenge

## *Two-Phased Approach*

**Phase 1: 50-60 regions** awarded technical assistance grants to help regions prepare for Phase II and mature their clusters  
*Total: ~\$500,000 per region*

**Phase 2: 20-30 regions** from Phase I regions awarded implementation grants from full project cluster applications

*Total: ~\$25-\$75M, up to \$100M per region*

**Phase 1 concept proposal deadline:**  
**October 19, 2021**

**Phase 2 application deadline:**  
**March 15, 2022**

# Thinking Big at EDA

**American Rescue Plan programs will address larger projects than before.** This gives EDA the opportunity to transform communities across the country.

**American Rescue Plan programs will expand EDA's reach.** EDA will engage with and impact more communities and support an equitable recovery.

**EDA will help Americans build back better** through community-led economic development.
